What is an Author?

**Michael Foucault
(An Interpretation)**

Dr. Madhu Kamra

Former head

Assistant Professor

Durga Mahavidyalaya Raipur

madhukamra09@gmail.com

Barthes and Foucault

Barthes:

- Raised debate on authorship
- To Barthes- Birth of The Reader is Death of The Author.
- To Barthes- Author is a Scriptor.
- To Barthes- If "author" is the father than the mother is the forces which works on it.
- Barthes identified three forces:
 1. Race and History
 2. Conventional Criticism
 3. Work produced

Foucault:

- Question the role of the author and why is he required.
- Foucault: gently avoids Barthes in initiating his purpose.
- Foucault: turned the "Who" label to "What" - Heraldizing author anonymity named by Beckett.

Michael Foucault (1926-1984)

What is an Author?

- A Poststructuralist thinker,
- Not a literary theorist like Barthes.
- His Discourses encompasses Philosophy, Sociology, Literature, History, phenomenology Marxim and Freud.
- Revolutionized Systems of Thought.
- Sought to Rerald a post authorial culture.
- Sean Burk's **The Death and Return of Author (1992)** reannounced the demise of The Author.

Key Elements:

1. Author problem first appeared with the rise of the press then became solid in contention.
2. Foucault says that :
 - "Author is an ideology" - "a personae that is readable and scriptable"
 - An Author is a cultural construct.
 - An Author is connected with the apparatus of information knowledge like: Medicine, Law, Culture , power, Politics, Philosophy, Science etc.

Major Works

1. Death and the Labyrinth (1963)
2. The order of Things (1966)
3. The Archeology of knowledge (1969)
4. Madness and civilization(1961)

Similarities between **What is an Author?** and **Death of an Author**

- Both renewed the contested relationship between the author and the text.
- Both held the view that is a text language speaks and not the author.

2 DAY

INTERNATIONAL E-CONFERENCE
Date: 29th–30th July, 2020

Theme of the E-Conference

Language, Literature and Media are three essential territories to record human experiences and embody elemental enlightenment. With Man at the centre, life and world draw wealth of meaning and matter. The prevailing Epidemic has established the need for extensive functionality of these pillars during Lockdown. Therefore Man—Men, Man–Environment and Man–Technology in Triadic relationship need penetrative probings. This E-Conference is a cross– borders enterprise in intellectual domain.

Thank
you

The words "Thank you" are written in a black, cursive script with a white outline and a soft drop shadow. The text is centered on a light gray rectangular background. Surrounding the text are several stylized floral elements: a large yellow flower with a white center at the top left, a pink flower with a red center at the top right, a pink flower with a black center at the bottom right, and a yellow flower at the bottom center. There are also green leaves and small pink and yellow dots scattered around the text.
