- Five years have past;
five summers, with the length
of five long winters, and
again I hear
These waters, rolling from
their mountain springs
with a soft inland murmur
- Thou best philosopher
Who yet, dost keep
Thy heritage, thou eye
among the blind,
That, deaf and silent, read'st
the eternal deep
Haunted forever by the eternal mind
- The blood replenished me again
my last thought was at least not rain :
I and my mistress, side by side
shall be together, breathe and ride
- Had fate
proposed bliss here
should sublimiate
My being-had I
signed the bond-
still one must lead some
life beyond

Unless soul claps it's hands and sing, and louder sing
For every tatter in its mortal dress.

And what rough beast,

round at last,
Slouches towards Bethlehem to be born !
